Name: _____

Color in one leaf for every book you read.
You may read any book.
You may count the same book more than once.

Early Literacy Tip:

Babies and toddlers who have heard a lot of different words find it easier to learn to read when the time comes. Try to talk with your child as much as possible from the time they are a baby. Talking about what you see is a great strategy - whether in a playground or at the grocery store.
